**AMPUTEE TRANSCONTINENTAL BIKE RIDE
ARRIVES AT HEALTHSOUTH**

ALBUQUERQUE, NM – Amputees Across America, a group of amputees making a transcontinental bike ride, will arrive at HealthSouth Rehabilitation Hospital of Albuquerque at 10 a.m. on Friday, June 11, 2010. A welcome reception will be held in honor of the cyclists who are riding in relays across the United States and visiting hospitals to increase public awareness of amputees as people with active lifestyles.

While in Albuquerque, Amputees Across America members, Dick Fate, John Cool and Abel Cruz will visit HealthSouth patients to share stories of overcoming their amputation to live healthy, fulfilling lives. Both Fate and Cruz have a personal connection to HealthSouth Rehabilitation Hospital of Albuquerque because they were former patients.

“We are delighted to host Amputees Across America at our hospital,” says Sylvia Kelly, HealthSouth Rehabilitation of Albuquerque chief executive officer. “This visit provides an excellent opportunity for our patients as well as our community to see first hand that no physical disability should keep anyone from living an active lifestyle.”

This is the ninth year AAA has made a cross-country journey. The riders departed on June 2, 2010, from HealthSouth Tustin Rehabilitation Hospital in California. To reach their final destination at HealthSouth Treasure Coast Rehabilitation Hospital in Vero Beach, Fla., on July 26, 2010, the group will travel 3,500 miles and stop at 20 HealthSouth Rehabilitation Hospitals in less than 60 days.
